

Lights! Camera! FIDM!

A natural partnership with entertainment.

Do you love looking at the costumes in a film? Have you dreamt of working on the set of your favorite television show? Or maybe you'd like to design posters or web sites or create special effects for major motion pictures? FIDM is an expert at preparing graduates for careers in the exciting world of Entertainment and Digital Media. Whether you're interested in working in film, television, sports, games, or theatre, we're ready to help you get there. We're pleased to be a partner in educating future movers and shakers for one of California's biggest and best industries.

FIDM Grad Wendy Benbrook is an Emmy® Award winner for her Costume Design work on *MADtv*.

FIDM enjoys an excellent working relationship with major film studios such as Paramount Pictures.

FIDM Grad Eileen Cox Baker is Costume Designer for *CSI*.

FIDM & ENTERTAINMENT

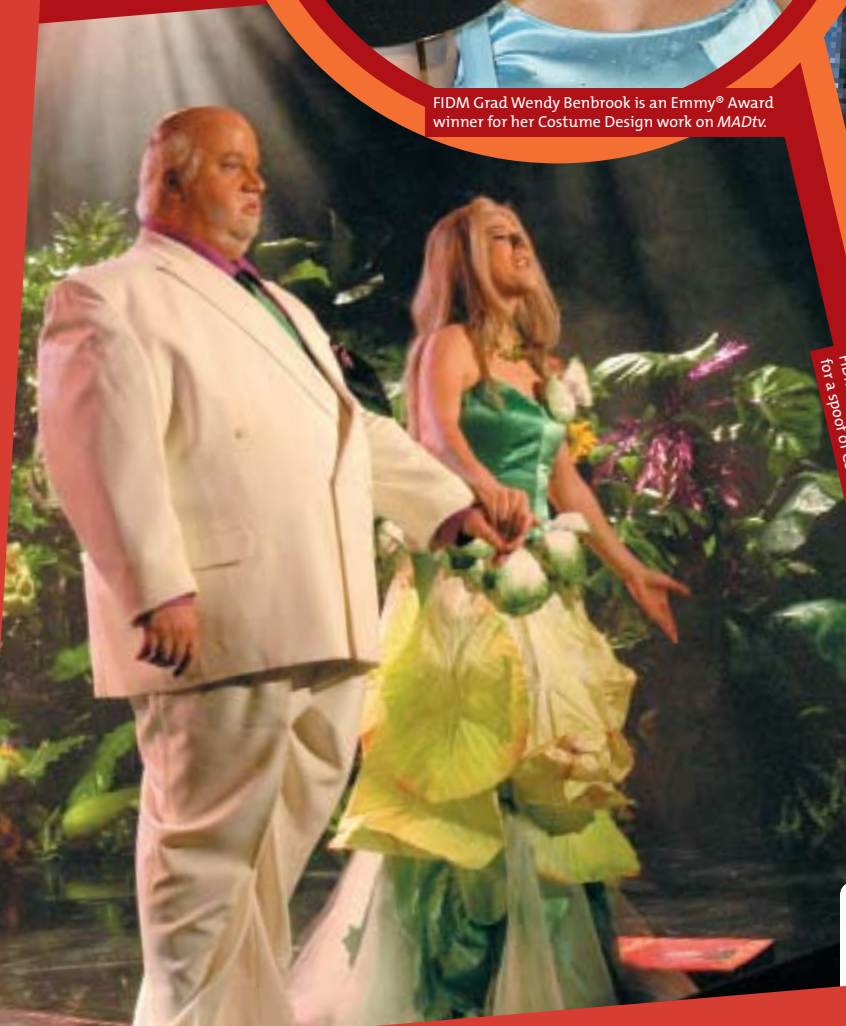

Because of the top-quality graduates we produce, FIDM's Career Center has developed special relationships with key studios and companies within the entertainment industry.

Our Graduates are the industry's Costume Designers, Wardrobe Stylists, and Sketch Artists.

Our *Visual Communications* Graduates design & dress sets for film and television and style photo shoots.

Our *Graphic Design* Graduates are fully trained to compete in today's leading design and entertainment agencies. Working with a team of Art Directors, Graduates are involved in all aspects of the industry including presentation, packaging, and development of major theatrical and video game campaigns.

Our *Digital Media* Graduates work in the entertainment industry as Film and Television Editors, Sound Designers, DVD Authors, Digital Compositors, 3D Modelers, and Web Designers.
