

STUDENT ACTIVITIES

Campus life isn't limited to the inside of a classroom! The Student Activities Office at each campus is here to help students thrive during their time at FIDM. There are countless opportunities to socialize, network, and connect with the FIDM Community.

Meet other students through on-campus organizations such as the Student Council, Phi Theta Kappa International Society, the ASID Student Chapter for Interior Design majors, and the student chapter of Set Decorators Society of America. Your classmates are people you can network with for the rest of your life, so get to know them!

The Student Activities Office hosts panels and events featuring top industry pros, including alumni, and plans community and cultural events that will enhance your experience at FIDM.
