

FIDM'S FAMILY

A UNITED EFFORT All the employees at FIDM are committed to ensuring that students have a positive experience, from the reception desk to the classroom, and every place in between.

“One person can be a change catalyst, a ‘transformer’ in any situation, any organization.”

Stephen R. Covey, Writer

“As Promotions Manager for *Fashion Club*, I have the opportunity to work with some of the brightest and most creative High School students in the country. I can tell they will be the fashion industry leaders of tomorrow. As an Alumna from FIDM, I know how a degree from FIDM can help them achieve their career goals and I am lucky enough to be able to be a part of their journey.” *Clarissa Ramirez, Fashion Club Promotions Manager*

“I’ve been with FIDM for over six years now and my favorite part of the job is interacting with the students. I love to hear their aspirations and help them set out on a career path that leads to success. It all comes full circle when I work with Alumni to fill their open positions with interns and grads from FIDM.” *Nonie Hillier, Career Development Advisor*

“We get to meet students from all over the world; international students, students from back east, and the locals. It’s an eclectic, dynamic group that we deal with. I want students to feel that they can come to us and ask us for anything that they need.” *Marcy Bucy, Front Desk Supervisor*

FIDM Staff are eager to help students.

“I’m surrounded by creativity! Between reporting on student projects for companies like Fender, Cotton, Inc., and Lionsgate Films; interviewing alumni about their amazing careers; and learning about our curriculum and the industry from our incredibly talented faculty, I never have to look very far for inspiration.” *Kim Askew, Senior Content Manager*

“Toni [FIDM Founder & President] imbues everything she does with an entrepreneurial spirit and gives us the opportunity to be creative leaders within our own departments.” *Nathalie Holtzman, Alumni Relations Director*
