* Includes Books & Supplies. Tuition & Fees shown are for a student completing the program within the normal time. Costs are shown at the prevailing amounts at the time of the printing of this document. It is not a promise that a prospective student will be able to take his or her second year at that rate. A change in major will result in a change in cost.

† On-time completion rate is based on students completing the program between 7/1/09 and 6/30/10.

‡ Placement rates were compiled from institutional records and are based on yearly average for 2009. Of the eligible graduates actively seeking work, over 90% of all majors and programs found employment within six months of graduation.

§ Represents accumulated debt for students who completed a program between 7/1/06 and 6/30/09.

§ Based on CIP (Classification of Instructional Programs) and SOC (Standard Occupational Classification) codes.

◇ A.A. Professional Designation Program – Open to students who already have a degree from FIDM or another regionally accredited degree program

◆ A.A. Advanced Study Program – Open to students who already have a degree from FIDM

Bachelor of Science Program - Open to students who have an A.A. degree from FIDM.

■ This amount reflects total costs for the junior and senior year of the Bachelor's program. Students are required to have completed their Associate of Arts degree at FIDM, for which the average cost is \$55,885.

◇ Represents new programs for which information did not exist for the reporting period.

Printed June 2011. No NCES (National Center for Education Statistics) template was available for Gainful Employment Disclosure purposes.
