DEGREE OPTIONS

FIDM is a four-year college offering Bachelor's, Associates, and Associate of Arts Advanced Study Degree Programs, as well as Post Degree and Transfer Programs (for students with a prior college degree). The B.S. and B.A. Degree Programs are open to graduates of FIDM's A.A. and A.A. Advanced Study Degree Programs. (See FIDM Curriculum on the other side for more information.)

CAREER DEVELOPMENT

FIDM connects thousands of graduates with both national and international companies. Career Advisors assist students in finding part-time jobs and internships related to the industry while in school. Our Career Advisors continue to work with alumni after graduation for as long as they remain in one of the fields served by the college. Graduates also have access to the alumni job search website, with a database of thousands of employer contacts nationwide and more than 1,800 job postings each month. Our graduates are highly marketable, and we have a strong employment rate across all of our majors. Everything about FIDM's curriculum and resources is geared toward ensuring that our graduates are highly sought-after in the marketplace.

SCHOLARSHIPS & FINANCIAL AID

Eligible students may apply for all federal financial assistance programs. For California residents, FIDM is an approved college for students to use Cal Grants A, B, and C. Hundreds of thousands of dollars in scholarship money are available for new and current FIDM Students.

STUDY ABROAD

FIDM offers Study Tours each year that explore cities known for Fashion, Retail, Entertainment, and Interior Design. Students who qualify may participate in Study Tours to New York City, Europe (often London, Paris, Florence, and Rome) or the Paris Summer Institute. In addition, exchange programs are offered with design schools in France, Italy, India, Australia, and Mexico. Contact the college for information about specific programs offered each year.

ADVISORY BOARD

The FIDM Advisory Board is composed of industry leaders from around the world. They bring their wealth of experience and leadership to the college, helping to guide and to shape the curriculum to meet the ever-changing needs of the industry.

STUDENT LIFE

A student population of 6,200 from around the world enjoys the benefit of a variety of student organizations and activities on campus.
