Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are
 called to active military duty, are international students that leave the United States or do not have a visa allowing
 employment in the United States, or are continuing their education in an accredited or bureau-approved
 postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel an enrollment agreement and obtain a refund of institutional changes paid through FIDM's first week of scheduled classes or the seventh day after enrollment, whichever is later. Within 45 days of written notice of cancellation, FIDM will refund all institutional charges paid, less the application and enrollment fees totaling \$250.

If a student has purchased a set of books and supplies from the FIDM Bookstore, a refund will be made in accordance with FIDM's Refund Policy for Books and Supplies. Cancellation shall occur when the student gives dated, written notice of cancellation to FIDM Admission's Office, 919 South Grand Ave, Suite 215A, Los Angeles, CA 90015. The written notice of cancellation, if sent by mail, is effective when postmarked.
